A three-year-old colt which Fred Slayton is breaking furnished considerable amusement this morning by doing some funny stunts. First it tried to back over the water fountain in City square, but being unsuccessful, proceeded to act decently for a while. As the outfit reached a point in front of the Universalist church, the colt threw itself and laid in the street for fifteen minutes or so, and then got up and went along as if nothing unusual had happened.

Mr. DeForrest West, who has been identified with musical shows practically all his life, doesn't hesitate in saying that in his judgment those who witness the Elks' minstrel show in Blanchard opera house Friday evening, October 26, will surely feel well paid. Prof. Parker Leach and Madame Leach will begin their work here in vocal culture Wednesday, the 24th. Mrs. Leach will give special instruction to those who wish to fit themselves for concert and church choir work. Her repertoire embraces all of the standard operas and oratorios. We give an extract from one of the many press notices of her abilities as a vocalist: "Madame Leach was heard in a number of difficult and trying selections and acquitted herself with a surprising degree of artistic excellence. She has a good voice, with clear and powerful notes in the upper register, and a fine command of technique. By her delightful rendering of Handel's 'Angel's ever bright and fair,' as well as by execution displayed in a recitative and Cavatina from 'La Sonnambula,' she exhibited incontestable proofs of her ability as a vocalist and musician."--Boston Herald.

People ever go back to single piece Underwear after using a **Munsing Union Suit**. **Munsing Union Suits** are long lived. We have lots of customers that only have to buy these suits once in three years. Did you ever get any of that kind, or any other kind that would wear that long? Guess not, unless it was the Munsing. Better take one of these suits home for comparison.

MUNSING UNION SUITS.

Munsing Union Suits are made to fit every member of the family. Here is a big value for the children.

Children's Munsing Union Suit, just as you see them in the cut, come in all sizes with a double drop seat and are no more than poor grades. Any size at 50c.

Children's Munsing Wool Union Suits, all sizes, at \$1.00 each.

Ladies' Munsing Union Suits in a heavy cotton fleece, with their improved seams and shapes, at \$4.00. (Nothing like them.)

MUNSING UNION SUITS.

The only plaited seam underwear on the market today, and that seam is patented. (It's different.)

Bennington Underwear for Ladies and Children always in stock.

25 CENT UNDERWEAR.

Underwear as it is being today for 25c is poor stuff. Underwear that we have for 25c was bought from last season's manufacture and piled up in our attic early last spring. Now we are in a position to sell you a good 32c Ladies' Vest or Pant of heavy fleeced hand-combed cotton, at 25c.

Misses' or little girls' Vests and Pants same make as mamma's, with shaped bodies, at 25c.

Children's double-fleeced Vests and Pants in natural colors in all sizes. These are the heavy, warm kinds and are selling at 25c each.

Boys' heavy, double-fleeced Vests and Drawers, natural colors in all sizes, now at 25c.

The above Underwear values we cannot duplicate; once sold, that ends it for this season.
